

Partnership for Economic Development

Mission Statement

The Partnership for Economic Development will provide guidance and direction in promoting diversified and prosperous economic base for Lake Havasu City through:

- Assisting existing businesses in their retention and expansion efforts, as well as providing supportive services to enable them to become more competitive in global economy.
- Recruiting new businesses and industry by aggressively developing and marketing the assets of the community.
- The pursuit of educational excellence for future workforces.
- Taking the lead to create a "high performance" community.

Business Retention & Expansion

Assisting existing businesses in their retention and expansion efforts, as well as providing supportive services to enable them to become more competitive in global economy.

25' RAGE • Runabout of the Year!

Powerboat Magazine awarded the Nordic 25' Rage with the title: **Runabout of the Year!** Excellence at the Powerboat Performance Trials. Powerboat Magazine was quoted: *redefines what a runabout needs to be, without compromising any of the fun to the breed. It's every bit a family boat.* To find out more about the Nordic 2
